b. Wang Renewals: Given the enormity of word processing renewal requests and the experience of last year, all word processing requests other than Wang are being assigned to General Purchasing Branch (GPB) for procurement action. Consistent with the Agency's word processing standardization policy, requests for the initiation of a new acquisition of other than Wang word processing equipment will be routed to Office of Data Processing, Word Processing Branch, (ODP/WPB) for approval. Renewals of existing arrangements for other than Wang equipment have blanket ODP approval and need not be routed through ODP/WPB for approval. [REDACTED]

c. Wang Equipment as Government Furnished Equipment (GFE): A meeting with Wang representatives was held to discuss procedural steps which would facilitate the issuance of GFE Wang equipment to Agency Contractors where the Agency/Contractor association is classified. Wang representatives were responsive to this issue and expressed a willingness to accommodate. Considerable Agency contract savings will result, and a proposal is expected from Wang by 31 July 1983. National Programs interest was represented and expressed at the meeting. [REDACTED]
